06:42 GOODMAN: People should also look at the people on the Internet who are trying to get you not to watch Crowdsorce The Truth. The same people who disparaged General Flynn. Same people who make up lies about me. And the same people who have admitted in their own words on video that they are involved in an organized, monetized, defamation and harassment campaign. That is intended to get you to not to support CrowdSource The Truth. So, if you support things like that then send e-mails and post public messages against what were doing to try and keep this going. 20:42 GOODMAN: And the distributed harassment campaign I'm talking about is where Chavez [YouTube name DEFANGO] puts out a piece of fake information and then Fujere [YouTube name Titus Frost] picks it up and reports on it.

21:13 GOODMAN: These are hackers and they are looking for exploits.

27:08 GOODMAN: I think everyone knows that I have good contacts with the FBI. I have had **retired FBI agent Robyn Gritz** on my program many times. I have had **Thomas Paine of True Pundit** – whose real identity I know very well and will not share with anyone – but, I have verified that this person is a person who has a great deal of credibility and a tremendous amount of .. uh .. very well vetted law enforcement active law enforcement sources. And these people have assisted me and guided me in what to do with this information. And they have even shared with me things that I am not prepared to share with you on this program. SWAT-clad FBI agents stormed into Mike "Thomas Paine" Moore's home and terrorized his wife and young children at gunpoint after rousting them out of bed. Not once, but twice, pointing automatic weapons at the family. **Historic, costly blunders for the FBI.**

In response Paine assembled his journalism crew of former feds, launched True Pundit and literally dismantled the FBI in less than two years with pens and laptops while working from home, often in pajamas.

While the mainstream media ignored a corrupt FBI & DOJ, Paine and cohorts hammered away and knocked the FBI off its trusted public mantle. **Revered FBI leaders were fired. Others quit. FBI**

**About the Author**

Mike "Thomas Paine" Moore today serves as True Pundit's chief Muckraker. Moore/Paine **previously worked for the FBI, White House, DEA** among many other **Intel agencies** and private concerns. He is the recipient of the coveted Gerald Loeb Award for journalism and 2-time Pulitzer Prize for Investigative Reporting nominee. As a **Certified Fraud Examiner**, Moore previously headed anti-money laundering operations for Citi in Chicago, Los Angeles and Delaware. He has an **expertise in covert telecommunications, counterintelligence, HUMINT, and OSINT intelligence gathering.** [emphasis added]

5 And his insider revelations are not pretty as they blow the roof off one of the most sinister, gut-  
wrenching scandals in U.S. history, involving Democrats and Republicans.

6  
7 Implicated too here are **U.S. Special Counsel Robert Mueller** along with former CIA Director  
8 John Brennan, among many others. A **Criminal conspiracy** involving top players in the **Deep State**, entrenched in one of the greatest public betrayals imaginable.

9 They tried to silence Paine and ruin him to keep these alarming revelations secret but something  
10 went wrong. Paine rose from the ashes of his battered life and tattered financial career and then  
11 re-launched his award-winning journalism career. And this time -- playing by his own rules --  
Paine blows the lid off of a massive cover up that implicates the same **D.C. elite** who tried to  
take him down.

12 Mike "Thomas Paine" Moore's story is one of personal loss, struggle, payback and patriotism.
